

Happy Moments Delivered

Areas of Activity

HMD Attractions creates professional photography experiences inside tourism, entertainment and hospitality venues. From spontaneous guest moments to personalised visual products, we combine skilled photographers, smart workflows and on site delivery to turn memorable experiences into lasting souvenirs.

Theme Parks and Amusement Parks

Capturing spontaneous guest reactions, exciting rides and memorable family moments throughout the attraction.

02

Natural Parks and Outdoor Attractions

Professional photography experiences designed for scenic parks, outdoor adventures and nature based destinations.

03

Live Animals and Taxidermy Experiences

Creating safe, striking visitor portraits with live animals and curated taxidermy displays.

Iris Photography

Transforming each guest's unique iris into dramatic, personalised artwork in any venue.

Water Parks, Pools and Hotels

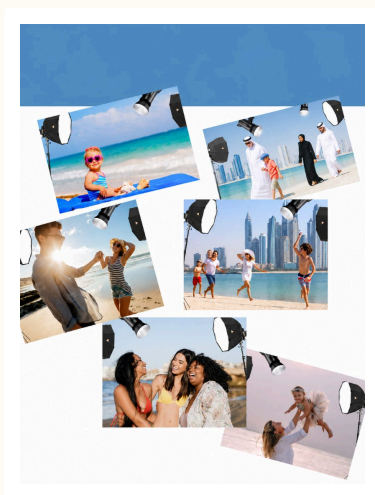

Capturing joyful poolside experiences, water attractions and premium hotel guest memories professionally.

06

Beaches and Resorts

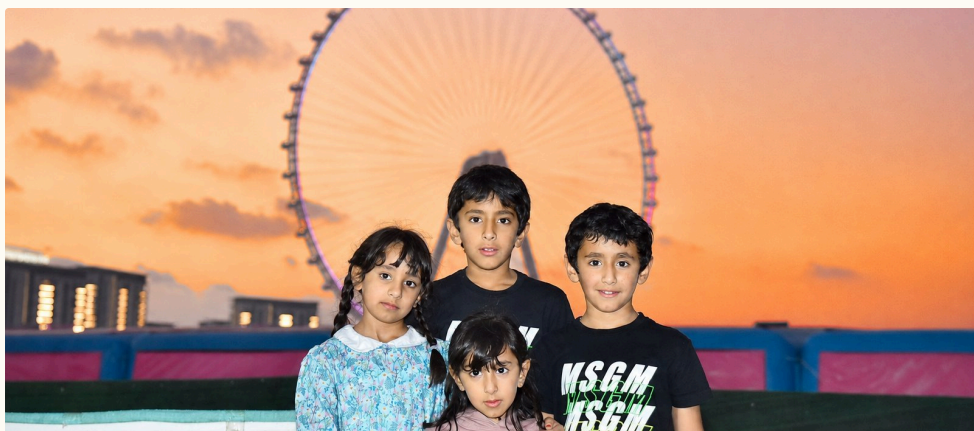

Delivering elegant beach photography that turns holiday moments into lasting visual souvenirs.

07

Anything Worth Remembering

If guests smile, scream, splash, fly, ride or explore, we will find the shot.

The people behind HMD Attractions

A Dubai launch team combining photography, operations, partnerships and digital systems.

Selected work

Previous work by Hamid Moradi and the Hamid Moradi Art Holding team.

24 years in professional photography

Hamid Moradi, our founder, featured by [Vogue Italia](#)

Petgraphy, our Dubai pet photography brand, live at petgraphy.ae

Full in house workflow, from capture to print to digital delivery

The 30 day pilot

We take the operational risk. You evaluate the results.
Together, we decide what comes next.

One location

30 days

No upfront investment from the venue

No exclusivity

No long term commitment

Either party ends it on 7 days notice

All equipment removed within 24 hours

You provide the location. We provide the photographers,
the equipment, the printing and the revenue share.
